## OUR PHILOSOPHY

---

A true land of plenty, in South Tyrol, a wide variety of regional products can be found right on our doorstep. Fresh herbs from the kitchen's herb garden. Fresh fish delivered daily from the fish farm in nearby San Leonardo in Passiria – the fresh water in the mountain streams offers the perfect conditions for cultivating wonderful, healthy fish. By taking part in herbal hikes with our entire kitchen team, you can help rediscover those forgotten herbal treasures that often add that finishing touch to our delicious dishes.

KÜCHENCHEF MICHAEL MAYR

"In Vino veritas"

This beautiful quote "the wine lies the truth" goes back to the Greek poet Alkaios of Lesbos. Finding the right wine for a dish is always a challenge, the harmony of the whole is primary here and that is how course after course emerges a unique pleasure experience between food and wine.
